The **Ismena** is a [river](#) in [Temeria](#) and a tributary of the [Pontar](#). Rising in the northern foothills of [Mahakam](#), it hosts the cities of [Ellander](#) and [Carreras](#) along the banks. The city of [Vizima](#) is at the mouth of the Ismena, where it empties into [Lake Vizima](#).^[1]

The following is considered game canon only and may contradict [Andrzej Sapkowski's](#) works.

The river also flows through the region of [White Orchard](#), where it has a small tributary. In this region, the river's water turned noxious during the [Third Northern War](#) in 1272, given the large amount of [human](#) blood and remains dumped into it following a [battle](#).^[2]

End of game canon content.
